DEPENDENT CARE FSA REIMBURSEMENT CLAIM FORM

DEPENDENT CARE EXPENSES THAT ARE ELIGIBLE:

An eligible dependent is any dependent who is less than 13 years old and your dependent under federal income tax rules. An eligible dependent may also include your mentally or physically impaired spouse, or a dependent who is incapable of caring for himself or herself (for example, an invalid parent). The dependent must spend at least eight hours per day in your home.

Child care services will qualify for reimbursement from the Dependent Care FSA if they meet these requirements:

- The child must be under 13 years old, and must be your dependent under federal tax rules. Note: If your child turns 13 during the plan year, you can stop your contribution at that time.
- The services may be provided inside or outside your home, but not by someone who is your minor child or dependent for income tax purposes (for example, an older child).
- If the services are provided by a day-care facility that cares for six or more children at the same time, it must be a qualified day-care center.
- The service must be incurred to enable you, or you and your spouse if you are married, to be employed.
- The amount to be reimbursed must not be greater than your spouse's income or one-half your income, whichever is lower.
- Services must be for the physical care of the child, not for education, meals, etc. Kindergarten expenses must separate out the cost of custodial care from education to reimburse.

Allowable Dependent Care expenses include payments to the following, when the expenses enable you to work:

- Child-care centers
- Family day-care providers
- Baby-sitters
- Nursery schools
- Caregivers for a disabled dependent or spouse who lives with you
- Household services, provided that a portion for these expenses are for a qualifying dependent incurred to ensure the dependent's well-being maintenance

DEPENDENT CARE EXPENSES THAT ARE NOT ELIGIBLE:

- Dependent care expenses that are provided to one of your dependents by a family member, unless the family member is age 19 or over by the end of the year and will not be claimed as a dependent
- Expenses for food and clothing
- Education expenses
- Overnight camps
- Transportation
